Published by [SamL](#) on 2010/1/24

G'day all, RAA are staging their annual Nationals (Natfly) at Temora NSW this year. This is the first time they have ever held them there. Seems Temora will become there new venue now on. **Natfly** will be held from **Thursday 1st, until Sunday the 4th of April 2010**. From some of the feedback I received from RAA officials, seems they are expecting this years to be one of the biggest years ever. I am planning to fly across from Victoria with several other Victorian gyroplanes. We have booked a 10 x 15 m site (**Number 27**) and will be representing ASRA, VSRA, and Gyroplane flying in general.

I would like to take this opportunity to invite you (those who are not able to attend the WA ASRA Nationals) to join us at Temora, and help promote our sport. What we would like is a good spread of machines, starting from single seat open frame machines, to the fully enclosed 2 seaters. We would also like to see the 2 seat machines involved in conducting as many TIF's as possible.

RAA Nationals Information <http://www.auf.asn.au/natfly/index-natfly.html>

Temora Aviation Museum <http://www.aviationmuseum.com.au/>

If you would like to join us at Temora please ensure you contact me, ASAP. Information we require is

- 1) Your name.
- 2) Contact number and Email.
- 3) Type of gyroplane.
- 4) Gyroplane location driving or flying from.
- 5) Of course you will require the usual (if you intend on flying) , Radio with endorcement, Aerodrome endorcement, above 500 endorcement, & cross country endorcement.

Looking forward to a great weekend and lots of gyro interest over the 4 days.
